

EXCAVATION SUPPORT | SOLDIER PILES & LAGGING

MCCARRAN AIRPORT EXPANSION - NEVADA

As part of Las Vegas' McCarran Airport expansion, a major utility relocation was required prior to constructing the new addition. Schnabel installed temporary soldier piles and lagging for excavation of the new utility corridor, as well as support for existing utilities which crossed the new corridor.

Owner: **McCarran International Airport**
General Contractor: **McCarthy**
Design/Build Specialty Contractor:
Schnabel Geotechnical Design & Construction
